

The Principle of Budget Planning

Revenues of the Central Government General Budget include the annual revenue and financing resources; expenditures include annual expenditure and debt repayment.

Take FY2023 Central Government General Budget for Example

Rev. 2,800.1 **Exp.**

Financing Resources 220.5	Debt Repayment 111.0
Annual Rev. 2,579.6	Annual Exp. 2,689.1

Unit: NT\$ billion
