1. Final Accounts Source:

- (1) The final accounts of the Fourth Phase and Fifth Phase of the Forward-Looking Infrastructure, New Fighters Acquisition, Sea-Air Combat Power Improvement Plan Purchase, and Enhancing Economic and Social Resilience and Public Sharing of Economic Achievement in the Post-pandemic Era special budgets has not yet been processed.
 - (2) Other special final accounts are based on the Final Audit Accounts of the Central Government, edited by the National Audit Office, Control Yuan, and are adjusted according to the subsequent cancellation of reserves approved by the National Audit Office and the Executive Yuan.
2. According to the Special Act for Enhancing Economic and Social Resilience and Public Sharing of Economic Achievement in the Post-pandemic Era, the surplus from previous fiscal years is already sufficient to cover the expenditures of the special budget, and it has been confirmed that no debt will be issued. Therefore, the debt borrowing budget for each year has been adjusted to zero.
