

# **SUPERVISION OF THE GOVERNMENT FINANCE**

# Step 1

All of the Revenues and Expenditures  
of the Central Government

Shall be Compiled in the Budget

After being Deliberated and Passed  
by the Legislative Yuan

The Budget will be Announced

## Step 2

The Budget Number is only an Estimation

The Actual Execution of Annual Revenue

May be affected by **Economic Conditions**  
and **Other factors**

The Actual Execution of the Budget May Yield

a Higher or Lower Revenue Than the Budget

It is a Common Occurrence  
Either Situation is Legitimate

**Step 3**

In Accordance with the **Budget Act**

The Execution Result of the **Annual Expenditure** **Shall**  
**Not Exceed** the Budget

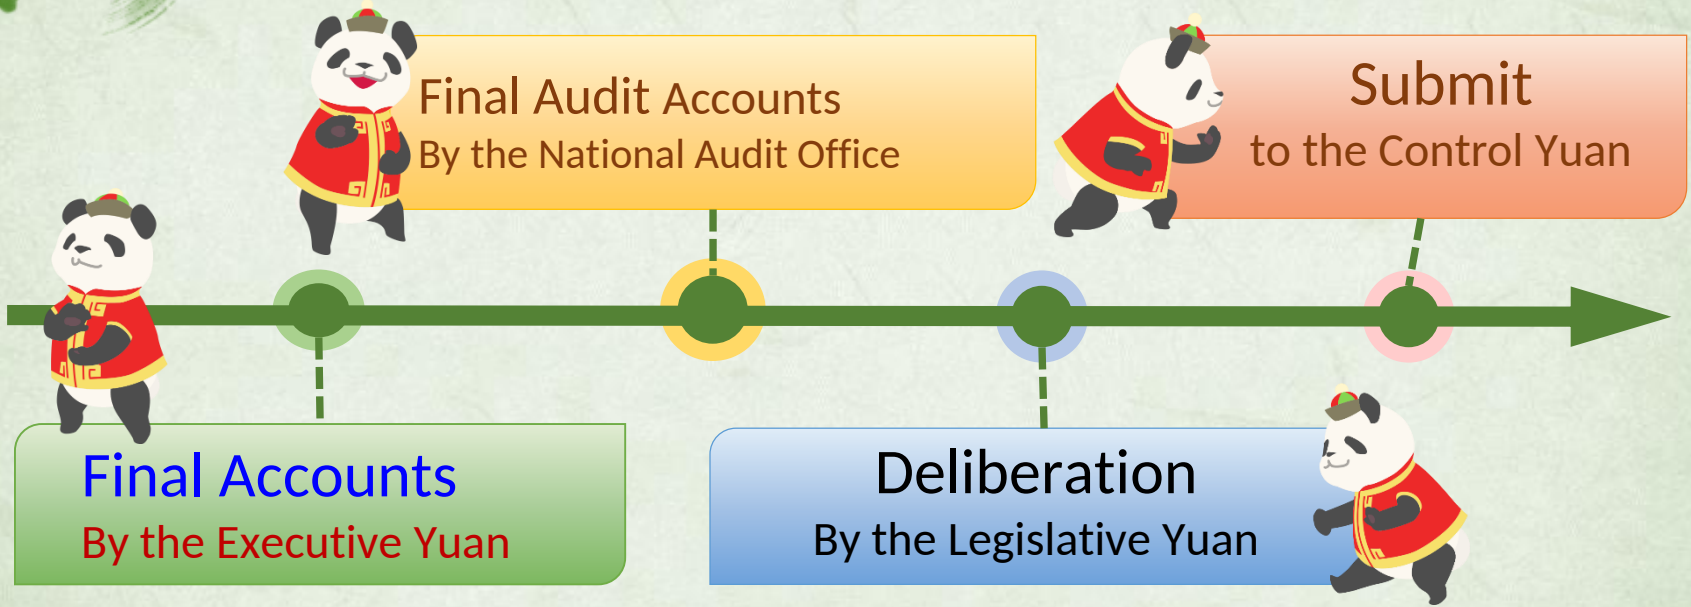

Which Means...

The Government's Annual Expenditure **is NOT**  
**Allowed to be Raised at Will.**

## Step 4

# After the Fiscal Year

# Being the **Government**

We Ensure that Every Coin in the Revenue  
is **Collected** and **Spent**

According to the **Laws and Regulations**
