財政部 優質酒類認證制度 Alcohol Quality Certification System

優質酒類認證制度簡介

為維護國人飲酒安全及促進國內製酒產業發展，財政部自92年起推動優質酒類認證制度，以提升國內酒品之品質水準，維護生產者、販賣者及消費者之共同權益。申請認證酒品，從原料來源、產製過程及酒品衛生檢驗等，須通過資格審查、現場評核、酒品抽驗等程序，並經提報財政部優質酒類認證技術委員會審議通過，始授予使用財政部向經濟部智慧財產局申請註冊之「財政部優質酒類認證標誌」W字型證明標章，期以輔導、認證之方式帶動國內製酒產業向上發展。

本認證制度所訂各酒類評審基準均較一般性規範更嚴謹，目前認證類別有米酒及料理酒類、高粱酒、葡萄酒、水果酒類、水果再製酒類、米酒及高粱酒以外糧穀蒸餾酒類、啤酒、糧穀釀造酒類及其他再製酒類等9大類。有關認證酒品之相關資訊，歡迎至財政部國庫署網站之「優質酒類認證專區」（網址：<https://www.nta.gov.tw/>）查詢。

A Brief Description of Alcohol Quality Certification System of R.O.C. (Taiwan)

The Ministry of Finance (MOF) adopted the Alcohol Quality Certification System in 2003 in order to protect the safety of citizen in wine consuming and promote the development of domestic alcoholic beverage industry. The system aims to improve the quality of domestic manufactured alcoholic beverages, and protect the common interests of the manufacturers, dealers, and consumers. Applicants for the certification must go through a strict scrutinization which includes qualification, on-site evaluation, random sample inspection, implementing from source of materials, manufacturing process, and hygiene inspection of the alcoholic beverages. Applicants must receive approval from the MOF Alcohol Quality Certification System Technical Committee before they may use the “W” certification mark. The “W” certification mark used for “MOF Alcohol Quality Certification”, has been registered by MOF to the Intellectual Property Office, Ministry of Economic Affairs. The MOF hopes to support the upgrade and the development of the domestic alcoholic beverage industry, by providing guidance and implementing the certification system.

There are stricter standards for all alcoholic beverages in this certification system than ordinary regulations. At present, there are nine categories including rice spirits and cooking alcohols, sorghum spirits, grape wine, fruit wine, fruit reprocessed alcoholic beverages, grain spirits other than rice spirits and sorghum spirits, beer, alcoholic beverages brewed from grains, and other reprocessed alcoholic beverages. For more information of certificated alcoholic beverages, please visit the “Alcohol Quality Certification section” in the website of the National Treasury Administration, MOF (<https://www.nta.gov.tw/>).

The liquor is as clear as spring water, with flavorful fragrance of sorghum. The mouthfeel is fine, mellow and smooth, followed by a sweet and refreshing taste. The firm body structure liquor spreads its charm in the mouth, and fully reveals the unique flavor of the best liquor. It was a special honor to win Double Gold Medals in the 2016 San Francisco World Spirits Competition, in the Best BAIJIU Award and Finalist Award, and the Gold Medal of the 2017 International Wine and Spirits Competition.
